

Sample High School Graduation Requirements

Every high school has a set of required courses that must be completed before a student meets the state requirements for graduation. Here is an example of a four-year plan from a sample school. You can use this model, or replace it with a set of your own school requirements. The importance of this activity is that you keep up with your credits on a semester-, quarter-, and annual-basis so that you will graduate on time.

Name _____

Subject	Credits Completed	Grade 9	Grade 10	Grade 11	Grade 12
English (4)		Total:	Total:	Total:	Total:
Math (3)		Total:	Total:	Total:	Total:
Science (2)		Total:	Total:	Total:	Total:
History (3)		Total:	Total:	Total:	Total:
PE/Health (2)		Total:	Total:	Total:	Total:
Fine Arts (1)		Total:	Total:	Total:	Total:
Occupational Electives (2)		Total:	Total:	Total:	Total:
Restrictive Electives (1)*		Total:	Total:	Total:	Total:
Electives (13)		Total:	Total:	Total:	Total:

* Note: Restrictive Electives are those where you have a choice, but must complete one in this area (e.g., Art as a restrictive elective can be satisfied by taking a course in drawing, photography, ceramics, etc.).
